Memorials of 14th July 1892 and 16th September 1893, from B. Linjiah, retired Accountant of the late Hazur Andre Department.

as certified by the Comptroller to the Govt. of Impse inclusive of one year's grace.

3. The Comptroller to the Govt. of Impse, who was asked × to arrange with the Account. Genl Madras for debiting Lingiah's pension proportioned to the British and Impse Governments, reported that the Accountant General Madras had refused ⊗ to accept a proportionate share of pension for the 9 years' service rendered by Lingiah under the Madras Govt. on the ground that he had not paid pensionary contribution to the

British Govt from 1st October 1882, i.e. after Rendition.

4. The Comptroller to the Govt of Mysore, however, further reported for the information of Govt that Linga would be entitled to a pension of—

(a) Rs 9-2-11 per mensem for the service rendered under the Mysore Govt alone

(b) Rs 14-8-0 per mensem for the combined service rendered under both ~~Madras and~~ Mysore Govts if the Madras service were admitted by the Accountant General Madras,

5. The question of debiting to the British Govt. proportionate of pensions earned by the Officers who had rendered services under the British Govt. before entering Imperial Service prior to Rendition having then been before the Govt. of India it was recorded in the Proceedings noted in the margin that the result of the same would govern Lipiah's case. 6. On receipt of Linjishi memorial in the final settlement of his pension, the Residency was asked in favour of an early reply to this Office Communications anent the services rendered under the British Govt. prior to Annexation by the officials in Anjanee Service. 7. In reply the Assistant Resident ~~[illegible]~~ referring to some old correspondence that took place in 1888 & 1889 in the case of some officials who were similarly situated, informed ⊗ us that the Resident was unable to move in the matter.

and final order.

9. In his memorial Lingiah represents the following facts connected with his case:—

(I) That in the year 1870, while employed in the Imperial Postal department he was selected by the late Rao Amoorthalingum Modaliar the then Anche Butakhi and was appointed as a clerk in the Imperial Anchè department in view to introduce therein the Imperial Postal System.

(II) That after joining Imperial Anche he had rendered valuable services as an accountant during the year 1873 when the system for receiving and disposing of unpaid articles posted

stated in Her Majesty's
Territory for delivery
in Europe was intro-
duced; and that the
be conducted
same with greatest
satisfaction rendering
accurate accounts
both to the Imperial
Post Office and the
Bazar and exhibited
an annual revenue
of Rs. 800/- to the
Anche Department
(iii) That the Bazar
Anche approved of his
Systematic Forms
& Registers and intro-
duced the same into
the Anche Offices
throughout the Province
and that the result
was that the revenue
of the Ampare Anche
which was Rs. 38,800
in the year 1869
rose to Rs. 76,206
in 1888-89, showing

a

a steady increase
year by year.

(III) That he detected
a case of embezzlement
involving an amount
Revenue of Rs. 600/-
and the party at
fault was convicted

(IV) That in January
1883 he was drawing
a pay of Rs. 35, but
that owing to the general
reduction then made
the same was reduced
to Rs. 25, which was,
however, raised to
the former figure
by allowing him
a personal allowance
of Rs. 10 from 1st April
1887; and that before
putting in five years'
service on this salary
viz. Rs. 35 for the purpose
~~of his pension~~ the cal-
culation of his pension

he

He was retired on Compensation Pension from 1st April 1889 owing to the Amalgamation of the Imperial Arche with the Imperial Bde.

10. Under the foregoing circumstances Linjiah prays that his British qualifying Service of 9 years may be added on to his Imperial Service of 19-3-27 and full Colt a Pension viz Rs 17½ per mensem calculated on the salary of Rs 35 which he was drawing at the time of his retirement granted to him.

11. In support of his case Linjiah quotes the cases of Lutchmon Row, late Rs 75 Translator of the Chief

Court and Kastura Rimpathar, taluk of Amboor of Molakal-murra Taluk, in which certain special concessions were granted by Govt:-

12. In the case of Lutchmun Row, the qualifying Service rendered in Impane yrs. mns - ds viz: 22 - 7 - 25 being short, half of Service yrs. mns. ds viz 2 - 8 - 17 British Service, which comprised both Inferior and Superior as noted in the margin ⊗ was added on to the Impane Service as a special case under Govt: Pro: No: 4025 / 248 dt 31st August 1882 thereby making yrs. mns - ds up 25 - 4 - 7 and he

he was granted half pension on the last 5 years average.

13. In the other case, Rastum Rungalloo not having passed the Ambari Examination within the period allowed to him, it was thought undesirable in the interests of the Ambari Service to retain him any longer in the grade of an Ambar and he was consequently retired from Service. The qualifying service for him being only 19-11-23, he was allowed a grace of 3 years* and 7 days and granted a pension

for 23 years as a special case.

14. Summarising the foregoing briefly and dealing with the case strictly in accordance with the rules, Lingiah is entitled to add to his Pensionable service 3 years out of the 9 years British Service under the Pro. of August 1882, quoted above, the total period thus amounting to 20 — 3 — 27 do 22 — 3 — 27 and to a pension of Rs 10 — 10 — 1 therefor, calculated on the last 5 years average.

15. But Lingiah

prayer in two conceptions, viz:—

(I) that in consideration of the exceptional circumstances connected with his service he may be allowed as a special case, an additional period of 2-8-3 out of the 9 years' British service to make up 25 years

and

(II) that he may be allowed half pension on the pay viz: Rs. 35 last drawn by him instead of on the 5 years' average.

16. There are precedents for the latter conception. Please see Pro: Gen. 1031-32 D/10-5-Supt/88

The ~~pet~~ applicants case appears to deserve special consideration.

In consideration of his British service of 9 years, he can have 3 years added to his Mysore service under para 5 of Notifn No 98 d: 31st Augt 82

There was a reduction in his pay from 35 to 25 in 1883 owing to the revision of the Mysore Deptt, and although a personal allowance of

Rs: 10/- was given in 1887, he was not kept long enough on that pay (25+10) to be able to have an average salary of 35 Rs for pension purposes, because he was relieved on ~~the~~ 31st March 1889 owing to the transfer of the Cuche to the British Post. Under such circumstances, his pension may, it is submitted, be calculated on ~~on~~ the pay of Rs: 35/- which he drew prior to 1883 and subsequently to 1887. A similar concession was granted to Raya Pillay & Narasimachar, Accountants of the Mysore ~~Dt~~ Office, by Order No: 1031-32 d: 10th September 1888, and the present case seems to merit such a concession.

If the above be approved the applicant will have 22yrs odd as Qualifying Service & the pension will be calculated with that period of service and with an average salary of 35 Rs, & he can well have no reasonable cause for complaint. 12/12/94

Sir,

In submitting herewith for favourable consideration and orders of Government the accompanying application for pension on behalf of Lingaiah late Accountant of this office, I ha the honor to state that the period of Lingaiah's service amounts to 10 years and 20 days excluding one years grace. As the period of service rendered in Mysore does not entitle him to one half pension I respectfully solicit that his serve in the Imperial Postal Department may be counted towards pension. I consider him deserving of this boon in consequence of the good service rendered by him while employed in this Department as acknowledged by my predecessor the late Mr. Amrutalingum Mudaliar as per his letter No. 1421/157 of 10th May 1879. From my own personal knowledge of the applicant I consider him worthy of favourable consideration. I beg to submit also his petition addressed to this office together with its enclosures

SIR,

With reference to your No. 2284/163 of 13th June last, I have the honor to state that as therein desired, the Accountant General Madras was requested by me in letter No. 1395 of the 9th instant to verify the services of Lingiah under the Madras Government from 1st January 1859 to 31st August 1870, as also to state whether he is prepared to accept a proportionate share of the pension against the Imperial Revenues, in accordance with the views of Government of India as communicated in the Assistant Resident's letter No. 1324/5156 of 12th May 1886, copy of which was enclosed.

I beg to enclose copy of the Accountant General's reply to the above No. I. A. C/155 of the 24th instant with its enclosure, from which it will be observed that he is of opinion that Lingiah is not entitled

entitled to claim any portion of his pension from the British Government for the services rendered thereto.

Linjiah will be entitled to a pension of Rupees 9-2-11/- for the service of 19 years, 3 months, and 27 days (inclusive of the ~~service of~~ 7 years grace) under the Mysore Government being $\frac{19}{60}$ ths of Rupees 29 the average emoluments drawn during the last 5 years.

If the services rendered by him in the Imperial Postal Department ~~Department~~ must be verified and reported on by the Comptroller Post Office, to whom it is now being forwarded as qualifying for pension, he will then have a total service of 28 years, 9 months and 9 days which will entitle him to $\frac{30}{60}$ ths of Rupees 29, viz, Rupees 14-8-a/-

If the Government determine to grant Linjiah the concession granted by para 5 of its Notification No. 98 of 31st August 1882, he will be entitled to count 3 out of the 10 years service under the Madras Government and will be eligible to a pension of Rupees 10-10-1/- being $\frac{22}{60}$ ths of Rupees 29/-.

Sir,

With reference to your letter No. 1395 dated the 9th of July 1890, I have the honor to state that the service of Lingiah from 1st January 1859 to 29th February 1860, as clerk on the Government Photograph Establishment cannot be verified for want of details in the Annual returns on record in my office. In the annual return of 1st May 1859, the Establishment is shewn to have been paid out of a lump allowance of Rupees 250/- per mensem, Consequently the above service, even if it was verified, cannot count towards pension. Vide Article 398 of the Civil Service Regulations.

2. As regards the verification of Lingiah's subsequent service rendered in the Imperial Postal Department, I have to state that the salary bills of the Establishment of that department ceased to be audited by my office from 1860, and I would suggest, therefore, that a reference be made to the Comptroller of Post Offices

on the subject, vide Article 17 of the Regulations.

Sir

With reference to your letter No. 3562/4629 dated the 18th of October 1889 forwarding for my opinion letter No. 4781/338 dated 11th September 1889 from the Chief Secretary to the Dewan of Mysore regarding the pension of Seemal Rao, late Amildar of Hoskote Taluq in the Bangalore District, I have the honor to state that it appears from the History of Service furnished that Seemal Rao commenced service under the British Government and continued to serve under it up to 31st March 1863 when he was transferred to the Mysore Province. He served in the latter up to date of retirement without paying to the British Government pensionary Contribution from 1st October 1862 the date of rendition of the Province.

In the case of officers falling under one or other of the following Classes though they are not regarded as having a status in British Service, the Government of

of India, have to a greater or less extent admitted a claim to pension for such British Service as they may have rendered.

(a) Officers who, having no previous Service under the British Government commenced service in Mysore and were transferred to British service proper before 1st October 1882.

(b). Officers who commenced service under the British Government but resigned it to take up appointments in Mysore and were subsequently retransferred to British service before 1st October 1882.

(c) Officers who commenced service under the British Government but resigned it to take up appointments in Mysore and continued to be employed in Mysore after 1st October 1882 paying pensionary Contribution to the British Government.

In the case of officers of classes (a) and (b) the pensions are chargeable to the Revenues of the British Government and of the Mysore State according to the rate of proportions. Vide Article 427 (a) of the Civil Service Regulations. The case of officers of class (c) is similarly dealt with under the authority contained in para 2 of the letter from the Government of India No. 2390 dated 10th August 1885, Financial.

The case of Srinivas Rao does not fall under classes (a) or (b) nor does it fall under class (c) since he has not paid pensionary Contribution from 1st October

October 1882. He is not therefore entitled under the rules as they stand at present to claim any portion of his pension from the British Government for the service rendered under it prior to his transfer to Mysore.

With reference to the concluding part of your letter, I beg to observe that it is for the Mysore Durbar to determine whether or not the concession granted by para 5 of its notification No. 98 dated 31st August 1882, should be granted to the applicant.

The enclosures to your letter under reply are herewith returned.

Linjiah was retired on Compensation Pension from 1st April 1889 owing to the Amalgamation of the Mysore Amche with the Imperial Post. The Service put in by him under the Mysore Govt inclusive of the one years grace allowable amounts, as verified by

by the Comptroller
of Imperial P. Wks. do

Irrespective of this,
a service of 9 years
is said to have been
rendered by him in
the Imperial Postal
department before
his entering the Imperial
service and verified
by the Comptroller of
Post Offices as qualifying.
The Pension which he
would be entitled under
the rules for the Imperial

allowable to him for
the combined Service
involved the question
of the same being

Madras was asked by
the Comptroller of Imperial

a proportionate share
of the Pension for the
Service rendered by

it is reported that
that authority has

on the ground that
Linjiah had not

3. The question of debiting to the British Govt. proportionate of pensions earned by the Officers, who have rendered service under the British Govt. before entering Imperial Service prior to Rendition is now before the Govt. of India and the result of the same will govern ~~the~~ Limjiahi's case hereafter along with others similarly situated.
